Conservationists Tour Glades Area

A tour of the Glades area was made last Wednesday by conservationists from seven states. The tour was under the supervision of Donald E. Vandergriff of Lake Worth, along with Cecil D. McClure and Fritz Stein Jr.

The group attending a U. S. Department of Agriculture conference in Palm Beach was briefed before the party they may play in cooperation with Civil Defense officials in case of a national emergency.

Making the tour with the out-of-state visitors was J. W. Hammett, Gainesville, director of the State Soil Conservation Service.

The group was the guest of the Belle Glade Chamber of Commerce for a fish fry at the Belle Glade Marina.

The group was joined by the Broward-Palm Beach Recreational Committee of the Central and South Florida Flood Control District which had previously arranged a meeting at the city marina facility.

The group was welcomed by Mayor-Commissioner Bill J. Bailey, along with City Manager Tevis Hugally and Commissioners Aubrey Farmer and H. C. Bowen.

Orientation Scheduled For Cub Scouts

An orientation session for parents of prospective Cub Scouts will be given at Jameson Hall, Thursday, November 10 at 8 p. m. Boys 8, 9 and 10 years of age are eligible provided that at least one parent attend an orientation session.

These sessions outline the Cub Scouting program and stress the parent-child relationship.

The program will be conducted for Pack 622 by Dr. R. J. Allen, Jr., chairman of the District Training Committee, Fritz Stein, Jr., in charge of Pack 622 training, and Charles A. Smith, Cubmaster of Pack 622.

Plea Is Charged As Charge Changed

A change in the charge for an alleged beverage law violation resulted in a plea change in Magistrate Court by Joann Worthen, 19, of Canal Point. Detective Richard Bakker and Deputy Sheriff Charles Verette originally cited Mrs. Worthen for selling alcoholic beverages without a license on Oct. 9.

Judge James L. Tyson Jr. accepted a guilty plea to selling the beverage during the closed hour of sale. Mrs. Worthen paid a \$75 fine on that count.

Sergeant Karda Back On Duty

Police Sgt. Joseph Karda III, department identification officer, has returned to duty after being confined to the Glades General Hospital here. Karda was injured while attempting to assist in placing a disgruntled person in a jail cell.

Need For Mental Health Center To Be Discussed

The urgent needs for a community mental health center, and the multiple services rendered, will be the subject of an address by Dr. Alan Levine of the National Institute of Mental Health, Bethesda, Maryland.

Dr. Levine, a noted psychiatrist with training in Community Psychiatry at Columbia University, New York, will be presented by Judge James Downey at the Annual Assembly of the Mental Health Association of Palm Beach County.

The Assembly, to which the place is invited, will be held on Thursday, Oct. 27 in the Flagger Room of the Holiday Inn, West Palm Beach. The program will continue from 6:30 p. m. to 7:30 p. m., dinner, and Dr. Levine's address entitled, "A Comprehensive Community Mental Health Center."

Dr. Levine will discuss various service aspects of such a center, including inpatient and outpatient care, hospitalization, emergency treatment, consultation and education, as well as diagnostic service, rehabilitation, research and education in this crucial area of American health needs.

A question-and-answer period will follow Dr. Levine's address. Jon C. Moyle, vice-president of the county Mental Health Association, and Clifford E. Ripley, president, will also speak before the some 300 people that are expected to attend the dinner meeting.

At present, the Palm Beach County Mental Health Association has become affiliated with the Florida Association for Mental Health and the National Association for Mental Health. Plans for the establishment of a \$120,000 Community Mental Health Center are progressing under a plan of matching funds in Palm Beach County.

Soil-Crop Group To Meet Dec. 6-8

GAINESVILLE — The Soil and Crop Science Society of Florida will hold its 26th annual meeting in Clearwater Dec. 6-8 at the Jack Tar Hotel.

A symposium in addition to the regular scientific papers given will be presented on Florida's role in Tropical Agriculture.

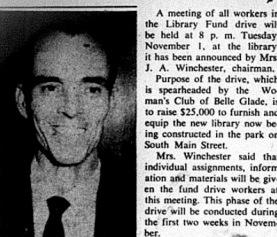

The two co-chairmen for the symposium are Dr. Hugh Popenoe, director for the University of Florida's Center for Tropical Agriculture and Dr. W. G. Blue, biochemist with the state's Agricultural Experiment Station.

The Center coordinates the efforts of various departments at Florida and supplies funds for research projects geared specifically toward solving problems in the tropical countries.

AIR MEDAL WINNER — Capt. Dudley H. Barnes, right, recently was awarded the Air Medal with two Oak Leaf Clusters at Strike Headquarters, MacDill AFB. Shown making the award is Col. Cecil N. Lyles, Strike Commandant. Captain Barnes received the certificate for meritorious achievement while participating in numerous aerial flights in support of combat ground troops in Viet Nam. Captain Barnes is married to the former Miss Sherry Mixson of Belle Glade.

Volunteers For Ambulance Service Are Being Sought

Questionnaires Will Accompany Nov. Pensions

Income questionnaire cards, which determine the amount of pension a veteran or his dependents receive from the Veterans Administration, will be included in the November payments this year, L. V. McClelland, Glades Veterans Service Officer, explained today.

Recipients of VA pensions are required to return the income questionnaire before January 31, 1967 in order that their pension may be continued. Pensions vary according to the amount of income a veteran has from other sources. VA Pensions go to persons who have become totally disabled from other than service incurred causes.

The questionnaires also go to parents of deceased veterans who are receiving dependency and indemnity compensation. McClelland stated that the VA asks that the forms be returned as soon as possible, and that great care be taken to see that the card does not become folded or mutilated. It is to be used in automatic machines that require the card to be flat and intact.

McClelland said that if there are any questions in connection with filling out the cards, to contact him in his office in the City Hall Pubekoe, on Tuesdays or Thursdays, or in the Sanders Building Belle Glade, on Monday, Wednesday or Friday.

Cattle Sale Brings \$28,624 On Monday

A total of 385 head of cattle were sold Monday at the Glades Livestock Market, bringing \$28,624.11.

Calf prices were a little unsteady, said Pete Clemens, manager. However, all other classes of slaughter and stocker cattle were about steady, he added.

Heavy slaughter calves were off about 25 cents, and light calves were steady. All stocker calves were off about \$1.00 to \$1.50.

Clemens announced a special bull sale in Okaloosa on Friday, Nov. 4 at 1 p. m. a 100 head of Hereford and Angus bulls will be offered for sale.

Sixty-two percent of Monday's sale went to slaughter and 38 percent to stockers.

Cub Scouts Set Meeting Tonight

Cub Scout Pack 622 will hold its monthly meeting tonight at 8 o'clock in Jameson Hall. Several scouts will be advanced in rank and the skill will be given by Den 4.

THOMAS J. HERAN
Heran Named Asst. Publisher Of The Herald

Thomas J. Heran, 34, this week was named assistant publisher and business manager of The Belle Glade Herald. He was announced by John H. Perry, Jr., president of Perry Publications Inc.

Heran will assist Mrs. Verda Mathewson, editor and publisher, who is now on an extended vacation. He attended the public schools of New Jersey, after which he entered the U. S. Air Force. He served three and a half years in the Air Force as a senior air traffic controller, including tours of duty in Germany and North Africa.

While in the service he studied business law and psychology and upon discharge from the Air Force attended Monmouth College in New Jersey. Heran began his newspaper career on the advertising staff of the Asbury Park, N. J. Press. After three years with the Press he left to become classified manager of the North Adams, Mass., Transcript. He held this position until coming to Florida to join the advertising staff of the Post Times.

For the past two and a half years he has been office manager of the Lake Park branch of the West Palm Beach publication.

Heran is a licensed pilot and lists hunting and fishing as his hobbies. He is married and his wife, Jeanette, and two daughters, Holly 9, and Ginger, 7, reside at 1937 Wares Circle in West Palm Beach.

Green Belt Law Is Discussed By Assessor

Florida Statutes Chapter 193.11 and 193.201 comprise the controversial legislative enactments commonly called the "Green Belt Law." The Florida Supreme Court has ruled there is no conflict between these sections of Chapter 193 and the so-called "just value law" of Chapter 193.021 applicable to all property, both real and personal.

The advantage of the Green Belt Law is that it gives a tax break to legitimate farmers by assessing their acreage at less value than similar land being held for development.

But the law has built-in inequities. Even a legitimate farmer can sell acreage at a high price for development, while an owner of similarly undeveloped land pays higher taxes before selling his. In this case the farmer gets both the profit of the land sale, and a tax break in the years prior to such sale.

A member of the Duval County Agricultural association claims the Green Belt Law is even unfair to farmers, and calls for legislative relief. He proposes "liberal special agricultural tax treatment," not only to those who make their living farming, but to anyone who owns undeveloped acreage and uses it for agricultural production.

Opponents of such a proposal claim anyone could put a few cattle on several acres of land while waiting for an offer from a land developer. Specifically, the Green Belt Law requires only that all land used for bona fide agricultural purposes be assessed as acreage based on its agricultural use, even if such land is in a subdivision or real estate development.

It cites agricultural purposes (Continued On Page 2)

Bowl Queen Contest Sat.

The annual Junior Orange Bowl Queen contest will be held at the Civic Center here at 7:30 p. m. Saturday, it was announced Tuesday by Mrs. Pat Anderson DeVos, director.

More than 20 contestants are expected to vie for the top honors to once again compete in the Coral Gables contest in which a local girl has walked off with top honors for two consecutive years.

The reigning queen is Sherri Smith, daughter of Mr. and Mrs. Rex Smith, 608 NE 3rd St. The first local winner in 1964 was June Harris, daughter of Mr. and Mrs. Junius Harris, 220 NW Ave. E.

Mrs. DeVos said entries will be received until Thursday. They may be mailed to her or delivered to the Tower 'N Country Shop, located in the new shopping plaza on SE 2nd Street.

Volunteers are being sought for ambulance service, according to Ray Alston, chairman of a Junior Chamber of Commerce committee seeking a solution to lack of ambulance service in portions of the area.

A meeting will be held next Tuesday at 8 p. m. Alston said. Place of the meeting will be announced later.

Another meeting of these leaders will be held next Tuesday at 8 p. m. Alston said. Place of the meeting will be announced later.

Alston stated that the group expected to have around 50 to 75 or more to take the first aid course preparatory to assisting in the service. The course is expected to be started in a couple of weeks.

The Junior Chamber of Commerce became concerned over the lack of service in portions of the Glades area and named a committee to come up with a solution. Alston is chairman and serving with him are Doug Lockhart and Doug Jones, president of the JayCees.

Last week, relief for this problem came when the County Commission, acting on a resolution by Commissioner E. W. "Bud" Weaver, agreed to allocate up to \$35,000 during the current fiscal year to finance the emergency service in the southwest portion of Palm Beach County.

Farm Bureau Sets Annual Meeting

GAINESVILLE (Special) — Florida Farm Bureau Federation, the state's largest farm organization, will hold its 25th annual convention in Jacksonville, November 6-8. It has been announced by Art Karst, president of FFBF.

The convention is expected to attract more than 350 voting delegates from throughout Florida and the total attendance is expected to go over the 600 mark, according to Karst.

Delegates from the 64 member counties will attend the meeting at which time policy for the coming year will be decided.

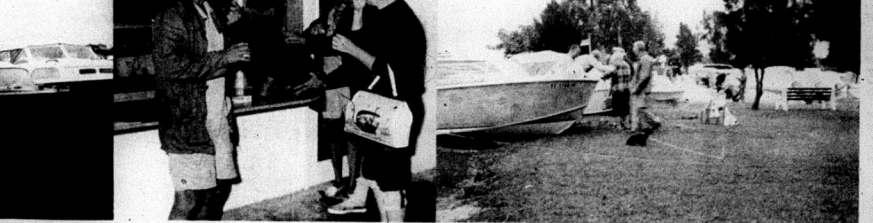

More than 34,000 Farm Bureau member families will be represented through the delegates at the convention to be held at the George Washington Hotel in the Gateway City.

Prior to the convention the Federation's resolutions committee will meet for two days to bring together resolutions submitted by county Farm Bureau members.

QUIET DAY

Quiet Day will be held on Friday, Oct. 28 at 9:30 A. M. to 11:20 A. M. in the Community Methodist Chapel. The theme will be "Called To Be Christian."

Heavy Downpour Fails To Halt Kissimmee Boat-A-Cade Outing

Despite heavy rains more than 100 boats from various Florida cities continued with the second annual Kissimmee Boat-A-Cade which arrived at the Belle Glade Marina last Friday afternoon for an overnight stay before returning to

their homes. Above scenes show some of the activities late Friday afternoon. At left a group from Tavares and Eustis are shown with their gear as they arrive at the scene. In the center, two couples from Leesburg are sampling some fresh

Glades radishes while awaiting the feed put on for them by the Belle Glade Chamber of Commerce. At right are seen some of the boats which took part in the annual outing.

PLEDGES SUPPORT — Emmett S. Roberts, the senior member of the Palm Beach legislative delegation who is slated to step down from the Florida House this November after serving six terms, has given his support to H. Lay Anderson Jr. of West Palm Beach who is running for the vacant post. Roberts of Belle Glade, long considered as one of the state's most able lawmakers, also heads the Anderson campaign in

the Glades area — considered by both men as in need of additional beneficial legislative action. In a recent introduction of Anderson at Belle Glade, Roberts referred to the candidate as Palm Beach County's answer to Agricultural Commissioner Doyle Connor, who served as speaker of the House when 20 years older after two terms in the State Legislature.

MR. AND MRS. CLYDE GARRETT

Vows Exchanged Saturday

In a lovely Saturday morning wedding ceremony, Emma Webster of Belle Glade became the bride of Clyde Garrett of South Bay, before a gathering of close friends and relatives. The Rev. R. L. Polk, pastor of the First Baptist Church of South Bay officiated at the ceremony which took place at the home of Mr. and Mrs. Leon Webster of Wedgworth Road, Belle Glade.

Given in marriage by her son, Leon Webster, the bride wore a beige sheath with a beige lace coat. Her accessories were a pink carnation corsage and a white carnation corsage.

Mrs. Harvey Hodges of South Bay was her mother's only attendant. The matron of honor wore an orange dress with white accessories and a white carnation corsage. Bobby Garrett of South Bay son of the groom was his father's best man.

The two tiered wedding cake was decorated with white roses and topped with the traditional bride and groom. The table was covered with a white lace tablecloth.

Ensign Paul Kidder Visits Uncle Here

Ensign Paul Kidder from Jamestown, N. Y. was aboard the U. S. S. Little Rock (C-1, G-4) Guided Missile Light Cruiser, which put into Port Everglades at Ft. Lauderdale last Friday night. He called his uncle R. W. Kidder in Belle Glade and Ensign Kidder went to pick him up Saturday and enjoyed a tour of the ship while there.

Coming back through West Palm Beach, they were joined by Dr. and Mrs. Clarence Kidder and children John and Janice for dinner and came on to Belle Glade. Ensign Kidder after spending the rest of the weekend here was accompanied back to his ship by the Clarence Kidders, who also toured the ship.

Kidder a graduate of Purdue University is mechanical engineer on the boat, which has a crew of 1200 men. The ship was on the way to Guantanamo and Puerto Rico and will leave after Christmas for the Mediterranean.

Roland Lottes Honored With Birthday Dance

Mr. and Mrs. Harold Lottes entertained at a birthday dance for their son, Ronald, on Saturday night at their home, 1000 S. W. 10th Ave.

The Halloween theme was carried out with witches and goblins. The big screened porch was decorated in orange and black streamers, balloons, bats, pumpkins and cane.

The food except for the cake was served in pumpkins. The guests came in costume and Mr. and Mrs. Lottes found it impossible to pick out the best costume.

Everyone had a good time dancing throughout the evening.

Attending were Roland Nelson, Earl Halland, Jerry Smith, Jon Winchester, Dan Wilson, Doretta Wilson, Joni Hammond, Diane Walls, Linda Ziglar.

Wilma J. Hearn Weds F. Wooten

Word has been received here of the marriage of Wilma J. Hearn and Frank D. Wooten of Orlando, Florida.

Mrs. Wooten was a former resident of Belle Glade, and is now employed as Department Office Assistant in the Department of Florida office of the American Legion Auxiliary in Orlando. Mr. Wooten is an engineer for the Martin Company of Orlando.

The wedding was performed in the Chapel of Temple Methodist Church in Hollywood, Florida, by the Rev. H. Garrett. Attending were the four daughters of Mr. Wooten: Mrs. W. S. Vanderpool and husband of Miami, Mrs. Edward Collins and husband of Orlando and the Misses Fay and Mary Ellen Wooten of Orlando, and Mrs. Donald Cipollone and husband of Hollywood, daughter of Mrs. Wooten and Lewis Edward Hearn, her son.

Mr. and Mrs. Wooten are now residing at 5620 Perrine Drive, Orlando, Florida.

OES Honors Past Matrons And Patrons

Mrs. Madge Taylor was in charge of the program honoring past matrons and past patrons of Belle Glade Chapter No. 197. OES held in conjunction with the regular meeting of the chapter last Thursday.

The outstanding program featured readings by Mrs. Taylor and songs and dramatizations by members of Pahokee Assembly. Order of Rainbow for Girls. Fifteen past matrons and five past patrons were present and were introduced.

During the business session, Mrs. Marjorie Jefferies and Mr. Harvey Benton were initiated into the Order. Plans were made to take table sized jars of jam and jelly to the Masonic Home at St. Petersburg on Rally Day, November 13. Plans were also made for the meeting on December 1 when grand officers will be honored.

Announcements were made that the Duncan Hines fruitcakes are on hand for sale, and that a card party will be held on Nov. 30.

Following the meeting, Mrs. Aleese Cherry, Mrs. Gladys Williams, and Mrs. Edith Freedlund served refreshments.

Belle Glade Personal Notes

Nancy, Linda and Mark Harrell of West Palm Beach spent the weekend with their grandparents, Mr. and Mrs. C. D. McClure and on Sunday their parents, Mr. and Mrs. A. J. Harrell joined them for the day and accompanied them home.

Mrs. S. B. Cowart was an overnight guest last Thursday and had a nice visit with her mother, Mrs. Lettie Simmons in Okaloosa.

Mrs. Lawrence Nash and baby daughter, Michele, are visiting 10 days with her mother, Mrs. Connie McKenzie in Lake City.

Breakfast guests of Mrs. Kathleen Livingston of Saturday morning were Mr. and Mrs. Charles Leach of Hollywood. They were on their way to visit friends in Okaloosa. Mrs. Leach is a cousin of Mrs. Livingston.

W. S. Bozeman, District Superintendent of West Palm Beach of the Methodist Church visited with Rev. W. R. Boland on Tuesday while doing survey work in this area.

Mr. and Mrs. C. D. McClure and son Gene attended the Miami Dolphin-Denver Broncos football game in Miami. McClure's nephew, John Griffin, whom he had not seen in 12 years, was a member of the Broncos. After the game the family met and had a nice visit.

E. C. Mapps Enjoy Northern Fall Vacation

Mr. and Mrs. E. C. Mapp returned last week from a loving vacation trip to Northern states and Canada. Leaving West Palm Beach Airport they flew to Kennedy Airport, on October 4, where they were met by Mapp's brother and sister-in-law, Mrs. Edward Collins and husband of Orlando and the Misses Fay and Mary Ellen Wooten of Orlando, and Mrs. Donald Cipollone and husband of Hollywood, daughter of Mrs. Wooten and Lewis Edward Hearn, her son.

Their first trip was to West Point to see President Eisenhower's home, then through Connecticut and Massachusetts, where the highways were beautiful with trees on either side. In New Hampshire they spent the night in the mountains, with the temperature at 35 degrees. The next morning they took the Aerial Tramway to the top of Cannon Mountain at Franconia, N. H. It was 28 during the night and ice had frozen on the trees.

Mrs. Mapp stated they took the Skimobile to top of Comodore Mountain at North Conway, N. H., which is a popular place for skiing. After spending the night in Vermont, where the mountains were beautiful with their fall colors, they went on to Niagara Falls, N. Y., and saw the American Falls in the day time and the Canadian Falls at night, which was a thrilling sight. They also watched two ships go through the locks on the St. Lawrence waterway.

In Queenstown, Canada they visited the Horticultural Gardens. It had not frosted there and the flowers were beautiful. Both were greatly impressed with "The Myo-Floral clock," which was about 25 feet in diameter, kept perfect time within two seconds, and chimed on the hour.

After leaving White Plains they visited Theodore (Teddy) Roosevelt's home and family place at Oyster Bay, N. Y. Visiting in New York City the couple stayed over to see the big city at night, they liked it better at night. The weather during the whole trip, was perfect.

They came back home by train so as to see some of the country-side, arriving home on Oct. 17. Mrs. Mapp said "the trip was wonderful, the weather perfect and they really enjoyed it, but it didn't really seem like they had traveled all those places in such a short time."

GLADES SINGERS TO MEET

The Glades Singers will commence rehearsals Monday night, Oct. 31 at 8 p. m. in the Belle Glade High School band room. Anyone interested in joining the group are welcome.

The group which was organized last year, gave two concerts.

Xi Beta Gammmas Party Was Fun

Dr. and Mrs. Howard Hill hosted Xi Beta Gamma Chapter members and their husbands on Sunday evening with a cook-out.

Coming in favorite character dress-up, ghouls, a go-go, and Indian costumes, it resembled the costume parade at the local FTA Halloween Carnival. Mrs. Earl Lindrose was chosen as the winner in the favorite character category.

Coach Bill Burke winner in the Halloween Word Scramble, and Mr. Earl Lindrose winner in the penny toss.

The patio and adjoining game room were decorated with jack-o-lanterns, black cats, and witches. The ham-burger fare also included doughnuts, Halloween candies, coffee, and Witches Brew.

Other who attended the party were Dr. and Mrs. Thomas Baker, Dr. and Mrs. Roy A. Brown, Mrs. Bill Burke, Mr. and Mrs. Chas. Burkett, Mr. and Mrs. Francis Crous, Jr., Mrs. Neil DePamphilis, Mr. and Mrs. Bill Graber, and Mr. and Mrs. Eddie Jones.

Homemakers Exchange Ideas For Xmas Gifts

The Belle Glade Extension Homemakers Club met last Thursday in the Community Clubhouse in McDonald Park. The members exchanged many ideas for Christmas gifts, which can be made. Several members plan to attend meeting at the Mounts Building on Tuesday, Oct. 25, to get more information on Christmas gifts.

Mrs. W. R. Hooker, president, presided. At the next meeting on Nov. 17, the members will attend a special session at the Mounts Bldg. in Palm Beach with a speaker from Tallahassee.

Mrs. Evelyn McKee was released from Jackson Memorial Hospital in Miami Monday. She was a patient for six days having checkup and x-rays and receiving medical treatment for headaches.

Prayer

"And the prayer of faith will save the sick man, and the Lord will raise him up; and if he has committed sin, he will be forgiven."

— James 5:15

Never underestimate the power of faith and prayer. But do not expect God to perform your own special miracle. Faith and prayer are the basis of strength, and offer reason for hope. Yet there is no prayer to bend God's will. Through faith, there is personal reward in knowing that we have met the challenge of despair and we have not been defeated.

Perceptual Development Training Program Underway In Local School

Will our "Johnnys" be able to read and adjust to their academic tasks in the near future? Yes! comes the enthusiastic answer from every person in the Glades area involved in making the Frostig Perceptual Development training program a success in our first grades.

4-H Fits The Future

How does 4-H fit the future? With its emphasis on development of the individual, 4-H answers almost every need young people will experience in living in the space

To get along in a complex world, young people must be able to get along with their fellow men. 4-H gives a young person a chance to participate individually and with his fellow club members. He learns to cooperate, to give and take, to respect the rights of others. He is given an opportunity to serve others and to serve his community.

In 4-H he gains new knowledge of the world about him. 4-H projects such as food science, electricity and advanced clothing teach youth current technical information and scientific principles.

4-H emphasizes conservation and outdoor recreation through projects in forestry, wildlife management, soil and water conservation and 4-H camping programs.

This youth program helps fit young people for careers through useful work projects and good work habits they learn under the guidance of trained leaders. In projects such as career exploration and the town and country business project, 4-H'ers are given specific opportunities to learn about and train for future careers.

4-H projects such as child development and money management prepare youth for better family relationships. 4-H judging events provide training in decision making.

So you see, the skills and attitudes young people learn in 4-H prepare them for life in the space age.

4-H promises experiences in fun as well as learning. Recreation is a part of every club meeting. Special events like camping and fun days are included in the 4-H program.

Would you like to know more about 4-H? Contact Mrs. Mary Lou Shirar, Asst. Extension Home Economics Agent, by calling 683-1252 or writing 531 North Military Trail, West

4-H is the youth education program of the Cooperative Extension Service. It is conducted through the joint efforts of the U. S. Department of Agriculture, the land grant universities and county government.

Funds Released For Schools, Junior Colleges

TALLAHASSEE — State Comptroller Fred O. (Bud) Dickinson, Jr., today announced the release of \$21,153,652 in state funds for the operation of county schools and junior colleges in Florida.

The money, a monthly release to county boards of public instruction, was \$893,045 more than the release for October, 1965.

Of the total, \$19,097,772 went for kindergartens, elementary and secondary schools in the state's 67 counties, said Dickinson.

Of this sum, \$16,673,506 came from the minimum foundation program. An additional \$2,424,266 came from the county school sales tax fund, Dickinson noted.

The remaining \$2,045,880 went to school boards in 25 counties for junior college functions. This money was made up of sums from the minimum foundation program, the sales tax fund and special appropriations.

The following is a breakdown of the amounts distributed to each of the county school boards for grades one through twelve:

Alachua \$358,105; Baker \$42,229; Bay \$283,177; Bradford \$72,098; Brevard \$745,648; Broward \$1,233,135; Calhoun \$50,109; Charlotte \$42,511; Citrus \$491,497; Clay \$106,085; Collier \$89,193; Columbia \$113,322; Dade \$2,865,849; De Soto \$1,222,419; Dixie \$26,083; Duval \$1,720,162; Escambia \$777,471; Flagler \$20,070; Franklin \$30,709; Gadsden \$203,972; Gilchrist \$17,701; Glades \$16,692; Gulf \$23,252; Hamilton \$43,407; Hardee \$53,202; Hendry \$37,744; Hernando \$50,482; Highlands \$95,557; Hillsborough \$1,419,657; Holmes \$61,345; Indian River \$105,723; Jackson \$175,729; Jefferson \$57,138; Lafayette \$13,099; Lake \$208,911; Lee \$227,827; Leon \$343,880; Levy \$54,333; Liberty \$20,115; Madison \$77,924; Manatee \$268,141; Marion \$257,634; Martin \$69,487; Monroe \$137,912; Nassau \$92,152; Okaloosa \$347,714; Okeechobee \$40,280; Orange \$1,069,571; Osceola \$70,130; Palm Beach \$772,004; Pasco \$122,799; Pinellas \$998,152; Polk \$807,405; Putnam \$158,311; St. Johns \$103,232; St. Lucie \$157,759; Santa Rosa \$143,841; Sarasota \$233,285; Seminole \$121,885; Sumter \$63,286; Suwannee \$86,434; Taylor \$69,514; Union \$23,347; Volusia \$500,618; Wakulla \$33,616; Walton \$80,885; Washington \$73,804.

Pvt. Henderson Graduates From Parris Island

Marine Private John Lee Henderson graduated from eight weeks of recruit training at the Marine Corps Recruit depot in Parris Island, S.C., today.

His parents, Mr. and Mrs. Sam Henderson of South Bay, attended his graduation.

While in boot camp, Henderson learned small arms marksmanship, qualifying as a sharp shooter. He learned bayonet fighting and other methods of self-protection, and also received instruction in military drill, history and traditions of the marine corps.

Henderson graduated with the honor of being promoted to P. F. C.

He is now stationed at Camp LeJume, N. C., to undergo three weeks of combat training before being assigned to a permanent unit in Baltimore, Maryland.

A resident of South Bay, Henderson is a graduate of Belle Glade High School in 1966.

Dalton L. Motes Completes Crewman Course

DEFENSIVE STARTERS — The Golden Rams of Belle Glade High School face a strong Seacrest football team Friday night and the hopes of Coach Bill Burke's charges against the visiting of the visitors will be in the above defensive unit. They are, right to left:

Zane Miller, end; Terry Mann, halfback; Larry Norman, tackle; Gary Remondo, linebacker; Julio Perez, guard; Mike McGhee, safety; Gerald Watson, guard; Eddie Prevatt, linebacker; Mike Foster, tackle; Bryant Davis, halfback; and Jeff Smith, End.

Golden Rams Face Seacrest

The Golden Rams of Belle Glade High School will take on a strong football team from Seacrest on the local gridiron Friday night.

Coach Bill Burke's charges have had a week's rest since their game last week when they were postponed due to rainy weather.

While the Rams were idle last week, their foes were being upped by McCarty, 13-7. While losing Seacrest's middle guard Jim Hegner and defensive end Richard Cullen turned in stellar performances.

Recreational Facility Pushed At Belle Glade Marina Site

BELLE GLADE — Enthusiastic citizens of the Glades, in cooperation with government bodies, are saving tax money and expanding a popular public recreational area at the same time.

A group of outdoor-minded individuals, long time supporters of an improved City of Belle Glade Marina on Torrey Island, have helped to push development of an 18-acre island recreational facility just the halfway mark. It was announced.

John Stretch, recreation director of the Central and Southern Florida Flood Control District, said voluntary labor and donation of equipment and material "from recreation-minded persons" probably will result in a facility worth \$70,000 or more at a cost to taxpayers of \$35,000.

He explained that the cooperative movement of Lake Okechobee has kept expenditures at a minimum. Of \$35,000 in government funds, earmarked for the project last year, there is a balance of approximately \$31,000. The grant was made from the Land Acquisition Trust Fund.

The FCD, in charge of the \$35,000 allocated for the program by the Florida Outdoor Recreational Development Council, is cooperating in the project with the City of Belle Glade.

An island area located adjacent to the existing marina in Lake Okechobee just west of Belle Glade is being filled to provide more space for camping, picnicking, boating and fishing in South Florida. Access to Torrey Island is via State Road 717 from U.S. 441.

Completed work on the addition to the marina includes a dike to prevent flooding which would occur when Lake Okechobee levels are higher than the island, elimination of dense vegetation, stockpiling of rock to be used in construction of an access road, a boat basin, three boat channels, and a canal.

Other scheduled improvements are docks, parking areas city water to be piped under the direction of Belle Glade officials, picnic shelters and tables, barbecue pits, drinking fountains, sanitary facilities, landscaping, and a bridge high enough to permit passage of small boats. The bridge will link Torrey Island, which houses the existing marina, with the new section.

The FCD, as administrator of funds, prepares and approves all contracts with approval of the city and provides engineering services. Stretch and a Belle Glade official are supervising the project with on-job supervision by Fred Schiller of the FCD, and representatives of the city and the Port Committee of the Belle Glade Chamber of Commerce.

Belle Glade's existing marina is located on the southeast portion of 926-acre Torrey Island, having been deeded to the city for recreational purposes by Florida Internal Improvement Fund Trustees. The FCD owns almost 440 acres of the main island, with the remainder in private ownership.

It is considered a prime location for recreation since it provides access to 730-square-mile Lake Okechobee, renowned for excellent bass and speckled perch fishing. In addition, the lake offers water fowl hunting opportunities, swimming, water skiing and shoreline camping.

Upwards of a million persons visit some part of Lake Okechobee annually.

The 1966 annual convention of the Florida Public Relations Association, scheduled for Winter Park, Nov. 16-19, will feature a program of "how-to-do-it" public relations. A citrus marketing cooperative formed a year ago by several citrus processing cooperatives, has opened offices in Orlando to market orange juice on a national basis.

Stocking Fish Said Not Cure-All

Two conference committee meetings expected to set the pattern for future extramural sports activity in junior colleges in the division and state will be held on two consecutive Saturdays at Palm Beach Junior College.

Mrs. Elizabeth Erling, chairman of the PBJC Physical Education Department, is this year's chairman of the committees on extramural sports for both Division IV of the Florida Junior College Conference and of the same committee at the state level.

The divisional meeting, October 29, will be held on the same day as the Fall Sports Day, also scheduled at PBJC. "We hope to be able to set up all division extramural schedules for the rest of this year," Mrs. Erling said, "and then to go one step further, and set them up for next year."

"Extramurals" at the junior college level include not only such sports as archery, table tennis, volleyball and bowling, but also sports which are rapidly moving toward full varsity status, like wrestling for men, and tennis and golf for women.

PBIC will host the state extramural committee on the following Saturday, November 4, when an attempt will be made to organize some sort of state Sports Day with some form of competition for state titles set up for extramural sports.

"Many of the newer junior colleges are just now becoming established well enough so that a strong conference can become better organized," Mrs. Erling said.

"We expect these two meetings to set some of the patterns for the future."

11 Percent Of County Students Are Children Of Migrant Workers

WEST PALM BEACH — More than 11 per cent of all children who were members in the Palm Beach County public schools last school year were children of migrant workers.

Florida Park Board Names

Jones Chairman

TALLAHASSEE — N. Earl Jones of Titusville was re-elected chairman of the Florida Park Board at its annual meeting in Tallahassee Monday.

Robert S. Baynard of Venice was named vice-chairman, and Judge E. W. Canwell of Chipley was elected secretary. John D. Pennekamp of Miami and Mrs. G. T. Smith of Ocala are members.

The survey showed, also, that 51 of the 87 schools operated last year included some children of migrant workers, and 36 reported no such children. Twelve schools reported more than 200 children of migrant workers, while 26 schools reported they had less than 50 such children.

J. M. Connell of Deland has offered to sell the land to the Park Board for \$150 per acre. Miller said the purchase will be subject to an official appraisal of the land, and could be purchased from funds received from the federal government in the condemnation of John Barrman State Park in Volusia County for a National Aeronautics and Space Administration project.

Study Reveals Need For New Center

TAMPA, (FNS) — The University of South Florida has completed a year-long study of the need for a new medical center in Florida, and issued a report recommending the State Legislature appropriate funds next year for initial construction on the Tampa campus.

The 1965 Legislature authorized a USF Medical and Nursing School, and since that time the university has been surveying the type of medical center necessary, and the cost of construction and operation of the center.

The report proposes a medical school for 400 students and a nursing school to train 150 students per year. Facilities needed would include 700 teaching hospitals beds, an outpatient clinic, medical library, clinical and basic sciences classrooms and laboratories.

Watch out for dependable Dale Landsman

In the old-time westerns you could always tell the good guys from the bad guys. On our highways, today, it couldn't matter less. Because even the best of drivers get involved in the worst of accidents. Take a guy like Dale Landsman. He's never been in an accident. Never breaks a law. Yet, his first mistake may be your last! That's why you have to drive defensively.

every second of every minute you're behind the wheel. Out on the highway, that means protecting yourself by staying well to the right. And warning any oncoming driver if he strays over into your lane. Don't depend on the actions of other drivers and you won't end up on the receiving end of their mistakes or sudden moves. You can depend on it.

Watch out for the other guy!

INSTALLATION CEREMONY HELD AT LAKE SHORE

On October 20, 1966, Lake Shore Jr.-Sr. High held its annual Student Council Installation ceremony.

The installing officer was Mr. James G. Brown, President of the 1965-66 Student Council. Mr. Brown presented Barbara Finney, the newly elected President, with a gavel, symbolizing the authority of her office. He presented Curtis Pierce, our Vice President, a book of "Robert's Rules of Order" our Secretary, Catherine Lowe, with a recording book, and our Treasurer, Vivian Berry with an accountant's book.

After the presentations, the officers took the oath of office. The installing officer then requested the Pledge of Loyalty from the Student Body. The installing officer then retired and the newly installed President took her place, giving the

Council's obligations, which was taken by Council members and homeroom representatives. The program was then closed with the President's Address.

Sue Collins is out to get you!

But she doesn't know it. Sue's a good driver. And that's the trouble. You've come to trust her over the years... but really, you can't. Because even the best drivers end up in some of the worst accidents.

Drive defensively, and you won't end up on the receiving end of some other driver's mistake or sudden move. At intersections, never

assume the right-of-way. Make defensive driving pay off by practicing a every second of every minute you're behind the wheel. It takes extra effort—but that extra effort's worth it.

The forty-nine thousand people who died on our highways last year would be the first to agree if they could.

Watch out for the other guy!

What's With The Scouts

The Lake Shore High Senior Girl Scout Troop No. 194 donned their uniforms for the first time this school year. The purpose of wearing the uniforms was to let everyone know that we are still in action.

Our troop's investiture and rededication ceremony will be held on Sunday, October 30, 1966. At this time all new scouts will officially become senior girl scouts. It will also mark the time when our last year's scouts will receive service bars that they have earned.

We have cordially invited all the senior and explorer troops of the Palm Glades Council parents of our scouts, and the faculty of Lake Shore High. We are also very proud to let everyone know that Sharon Butts has been chosen as 1st alternate to attend the senior girl scouts' convention in Detroit, Michigan.

Drop-Outs
An estimated 604,000 Americans 14 to 24 years old dropped out of school before completing high school during the 12 months prior to October 1964, a study by the Census Bureau shows.

Miss Sophomore And Attendants Chosen By Classmates For 1966-67

The Lake Shore Sophomore class elected their Miss Sophomore and attendants on October 19, for the school term 66-67. Miss Sophomore and attendants were elected from the five homeroom classes.

Miss Sophomore is lovely Alice McRae (10-4), attendants: Linda Cameron (10-1), Barbara Williams (10-2), Annie Louise Henderson (10-4), and Gwendolyn Rhodes (10-5).

These young ladies were elected because of their beauty, pleasant personality, and intelligence.

And I'm sure that they have the ability to represent our Sophomore class with dignity.

What Kind of Student's Are You?

DO YOU...
1. Know the rules of your school and try to obey them?
2. Carry out assignments promptly and to the best of your ability?

3. Work in committees in the classroom and in other school activities if asked to do so?

4. Take part in at least one extra-curricular activity?

5. Vote intelligently in class or school elections?

6. Do something constructive, rather than just complain, when things go wrong?

7. Support school activities by your attitude and participation?

8. Treat your teachers and classmates as you would like them to treat you? Keep on the lookout for ways to improve your school?

9. Act outside school in such a way that you are a credit to your school?

If you are a student like this you could go, keep going and will be able to help others to go.

Homecoming Is Almost Here

Hi students, this is Jerry Allen, Student activity committee reporter.

That great event, Homecoming, is almost here. Starting off the Homecoming festivities on November 2, will be the Coronation. This affair will include some of the most beautiful girls in the Lake Shore family such as: Miss Lake Shore, Ruby Henderson, Miss Junior Attendant, Daisy McCoy, Miss Sophomore Attendant, Sharon Butts. Organization queens such as Miss Future Teachers of America, Miss Future Farmers of America, along with many others will participate.

Then, there is the Homecoming parade, an event that needs no description. The Band has planned to play that famous hit, Land of a Thousand Dances for their half show.

Friday, Nov. 4, the greatest event of all will take place when we journey to the field to play our homecoming game. The Bobcats will fight to win a victory over Attucks High of Hollywood, Florida.

Students, I know you can't wait but just hold on a little longer, please.

Jerry Allen
Committee Reporter

Driver's Education Examination

The driver's Education Examination was administered to all qualified students, from grades 9th-12th, on October 19, 1966 in the cafeteria. Of the ninety students, taking the exam eighty-eight passed.

The examination began at 10:00 a. m. and the majority of the students finished by 10:20 a. m.

Our instructor, Mr. Davis did a fine job in getting us ready for the examination. We join in with a hearty thanks to him.

After the examination, Mr. Davis chose the following girls to assist in the scoring of the test: Ruby Henderson, Maxine Hargrove, Mary Alice Brown, Mary Dixon, Sandra Horne, and Barbara Finney.

Bobcats

Anticipate Win

The Mighty Bobcats will travel to Fort Pierce October 27, to play a conference game against the Lincoln Park Academy Greyhounds. This will be the fifth Conference game of the season.

Joe S., what was wrong with you and Steve L. Friday before the Bobcats trip to Stuart?

I've noticed that some of the Senior boys are trying to take the conglomeration job: or are you being punished?

Junior, what have you to say about "that 10 for today?" Say rookies, tell me, why is coach so hard on you? Is it your fault?

Barbara Finney, what this I hear about not having a bonfire—Come on, I know the Student Council can do better than that.

Mr. Jackson, what's this, I hear about only two hands are invited to our homecoming. Is it true? JUST TWO!

Steve L., do you think that coach will ever get tired of firing you off the team? Don't give up next year will be your year.

Bye! Bye! See You Next Week.

Seniors Choose Homecoming Queen

Last week, the Senior class selected the girl they wanted to represent them in homecoming festivities during the week of October 31, thru November 4.

The young lady chosen as Miss Senior was Miss Geneva Williams a native of Belle Glade now dwelling in South Bay. She is the daughter of Mr. and Mrs. Howard Williams. Her hobbies are dancing and singing. Her statistics are: Height 5' 1" measurements 34-23-35.

To serve as attendants to Miss Senior are, Sandra Horne, Maxine Hargrove and Rosa Byrd.

With beauties like this, the senior class will be well represented at this gay event.

'Head of Christ' Makes Miami Herald

Among the four works entered in the Palm Beach County Art teachers' Exhibit by Mr. Leroy Williams (art teacher at this school), was a ceramic Sculpture bust called "Head of Christ". This piece of work has a modern touch to it which captured the eyes of a writer from the Miami Herald.

A picture of the work was portrayed on one of the better pages of the paper. Two pictures of works by Mr. Walter Allen, art instructor at Lake Shore Elementary School, were also shown. Mr. Allen's work were a sculptured statue from wood called, "The Vulture" and "Sun Face No. 1". This consisted of a kind face of a sun and a Palm Beach County automobile license plate placed neatly at the bottom.

The show was rated higher this year by Palm Beach Junior College Art Chairman, Jim Houser.

South Bay PTA Halloween Carnival

The City of South Bay will start its Halloween celebration with a parade at 4 o'clock Saturday afternoon.

The school children wishing to participate in the parade are to report to the school house at 3:45 Saturday afternoon. After a march three town the parade will end at the South Bay Park for the judging. The Belle Glade High School Band under the leadership of Fred Stevens will lead the parade.

Prizes will be awarded in three different categories: one, most original; two, most appropriate and number three, prettiest.

Starting about 5:30 the supper will be served at the park. There are some tickets still available at \$1.25 for adults and 75 cents for children.

The carnival will start with the ending of the judging of the parade with the school classes having various booths including a drawing of a steer.

Harry Davis principal reported that the work for the building of the booths and cake walk etc., will start at 8 o'clock Saturday morning and all available help will be appreciated.

Chosen Club Hears Program On Birds

Mrs. Clarence Tilton presented the program on "Birds" to the Chosen Garden Club meeting on Oct. 18 at the clubhouse on McDonald Park.

Beautiful pictures of various birds along with comments on each one, given by Mrs. Tilton, was thoroughly enjoyed by the members.

A brief business meeting was held by president, Mrs. J. A. Ponder.

Honorees were Mrs. Fritz Stein, Jr., and Mrs. Vera Weeks.

Others present were Mrs. B. Cowart, Mrs. H. V. Draa, Mrs. George Hudspeth, Mrs. W. S. Ingram, Mrs. Clara Simmon, Miss Margaret West, Mrs. Fred White and Mrs. J. P. Hahloos.

Two Honored On Birthdays

Mrs. Sandra McMullen of Pahokee and Mrs. Linda Oyster were honored at a birthday party at the home of Mrs. Gene Gunter in South Bay, Sunday afternoon.

A barbecue supper and homemade ice cream was enjoyed by Mr. and Mrs. Leo Oyster, Albert Oyster and son, Kenny, Linda, Alma and Charles Gunter and Billy McMullen and children, Tina, Tommy and Tommy.

Farm Front

BY DOYLE CONNER
Commissioner of Agriculture
One of the more valuable aids a Florida farmer has during a winter growing season is the frost forecast and freeze information provided by the Federal-State Agricultural Weather Service.

From November 1 through March 31, the Service will issue three bulletins daily from its Lakeland headquarters over a special teletype network which extends from Gainesville to Daytona Beach on the north to Ft. Myers to Homestead on the south.

The information will include daily district weather forecasts, shipper's forecast, severe storm bulletins, five-day outlooks, hourly radar reports on rainfall areas, and crop damage reports from Florida, California and Texas.

An individual or organization interested in installing receiver equipment should consult the Lakeland office of the Service.

Our fruit and vegetable growers have come to rely on the Service to warn them far enough in advance so that they can take the necessary steps to initiate protection measures.

This is the 32nd year the Service has been in operation. It is sponsored by the Florida Agricultural Experiment Station and the U. S. Weather Bureau.

Florida's winter vegetable growers can expect a continued demand at a high level and an increase in competition for foreign imports, particularly from Mexico.

These are only two of many interesting facts contained in the Florida Acreage-Marketing Guide recently published by the University of Florida's Vegetable Crops Department.

It points out that in order for the state's growers to cash in on the demand, they will have to have a well-balanced production. Next year's prices, according to the guide, will depend to a great extent on production prospects for each crop and on the distribution of harvesting.

Mexico is expected to continue its sharp upward trend in winter vegetable exports to the United States. That country presently accounts for more than 90 per cent of the total imports of winter vegetables to the U. S.

Imports of tomatoes, cucumbers, peppers, and eggplants rose 30 percent last season over 1964-65. This coming season we can expect a corresponding increase in imports if production and marketing costs in the U. S. keep going up.

These costs, of course, result in higher prices for American goods and thereby encourage the purchasing of lower-priced Mexican produce.

The U. S. Department of Agriculture's announcement that it will purchase up to \$20-million worth of Florida orange concentrate for the federal school lunch program certainly was received with favor among the state's citrus growers.

Early estimates have placed this season's crop at 139,400,000 boxes. This is a 39 percent increase over the past season.

USDA officials indicated they would initiate the purchase of the Florida concentrate if there was a surplus. And, judging from the predicted record-breaking yield, there will be.

However, the Florida Citrus Commission and several cooperatives had already begun to map plans to effectively dispose of the huge crop. At any rate, the future looks a great deal brighter at the moment for the movement of the concentrate compared to what it was several weeks ago.

Florida is one of 14 states listed in the third phase of "stamping out" phase of a four-phase state-federal hog cholera eradication campaign.

There are two major requirements which this state must fulfill before it can be officially declared "free" of hog cholera: (1) there must be a 12-month period without evidence of the disease and (2) only killed hog cholera vaccines can be used during that same period.

It is hoped by state and federal agricultural officials that by 1972 we will have a hog cholera free United States. There were only 883 confirmed outbreaks reported in the fiscal year which ended June 30, as compared with 1,110 the year before.

DRIVER EDUCATION — Stanley Watson, local Ford dealer, is shown presenting the keys to a courtesy car for the driver education program at Belle Glade High School to Bill Burke, who is coach and instructor of the driver education program.

Rudnick Raps Crime Record; Suggests Corrective Measures

Vaughn J. Rudnick, the Republican candidate for the office of Judge of the Criminal Court of Record, said that today crime in the State of Florida and in particular the Southeast coast of our state has reached an alarming status.

"Our state, although ranking 9th in population, ranks 3rd in the entire nation in serious offenses committed within the last year. Dade County has the second highest crime rate in the entire nation, second only to Los Angeles County, in the State of California. These facts have been reported throughout the country by the news media and they are facts, over which we cannot ignore."

Respect for law and order has reached a new low throughout our entire nation and the State of Florida is no exception. The time has long since passed when the Legislature of the State of Florida must accept its responsibility and act to rectify these situations.

We must instill in our good citizens, be they young or old, respect for the law and those who administer the law. Law enforcement officers throughout our state are subjected to belittlement, little if any respect and when their hands are tied for help none can be found, yet these men are in reality employed by the people, their salaries are paid by the people and their offices exist to protect the people, he continued.

To meet the situation Mr. Rudnick suggested the following propositions:

Mandatory classes in our public schools wherein respect for law, order and law enforcement officers is taught. This proposition can perhaps be achieved without the action of the legislature.

Harvey Poole AF Enlistee

Harvey J. Poole Jr., 19, 1233 S. W. Avenue "C" Place, Belle Glade, was enlisted in the United States Air Force last week, according to Msgr. James H. Air Force recruiter for this area. After the enlistment ceremonies, conducted in Coral Gables, Harvey was flown to Texas where he will undergo six weeks of basic military training.

Basic training is designed to help the new airman make a smooth transition from civilian to military life. Instruction will be given in drill, ceremonies, classification and assignment procedures, military law, physical education and history of the Air Force.

After completion of basic training, Harvey will be assigned to an Air Force base for on-the-job training or will be transferred to a formal technical school, based on his aptitudes, interests and the requirements of the Air Force.

The new airman is a life long resident of Belle Glade. He graduated from Lake Shore High School in 1964 and attended Palm Beach, Fla. College for a year and a half.

Charles Bradley In Germany

PFC Charles D. Bradley, brother of Mrs. Eldon McDaniel of Belle Glade is stationed with the U. S. Army in Germany.

Bradley attended Belle Glade High School and completed basic training at Fort Benning, Georgia, where he made expert rifle range. He was then assigned to Fort Sill, Oklahoma where he went to college for officer's training. He is now in many doing special office work.

No Blending
Latex paints do not blend with oil-based paints — so don't try it. Paint specialists say attempting to vary a latex coating's color with an oil based product will only ruin both materials. Use colors designed for latex paints.
